Sprint 2 Plan

Sprint Goal: Finish the login interface and begin working on the passenger interface–passenger posting on feed and select map location (origin to destination) (goals from sprint 1). Following our roadmap, implement online/offline status for drivers.

Team Capacities:
- Matthew:
  - Base capacity: 20 hours
  - Individual capacity: 12 hours
    - Other classes and exams coming up
- Crosby:
  - Base capacity: 20 hours
